*Schleese reserves the right to substitute qualified instructors as deemed necessary by scheduling restraints

Jochen graduated from Passier as Certified Master Saddler and came to Canada in 1986 to establish and register the trade of saddlery in North America, operating the only authorized saddlery training facility in Ontario. He is also the author of the best-selling book *Suffering in Silence: Exploring the Painful Truth: The Saddle-Fit Link to Physical and Psychological Trauma in Horses*. Jochen lectures at veterinary universities in Europe, North and South America and is a regular guest speaker at various equestrian trade shows - including Equitana 2018 in Melbourne. Saddlefit 4 Life® teaches the importance of the gender appropriate saddle in relation to the health and well-being of the both the horse and rider. At Saddlefit 4 Life® we strive to improve the health and well-being of horses and riders through saddle fitting education, comprehensive saddle fit diagnostic analysis and by providing opportunities for professional training. Saddlefit 4 Life® educational programs and certification courses are held throughout North America, Europe, Brazil and South Africa.
